REHABILITATION PROGRAMMES AT STADE, MEN'S LOW RISK CORRECTIONAL CENTRE IN PORT VILA

The Dipatman Blong Koreksenol Servis maintains a humane, just and effective corrections system. The legislation that established the Dipatman makes special reference to the need for offender rehabilitation and reintegration into society. A wide range of programmes is offered to detainees and run with input and involvement from the community. Helping offenders progress towards a more positive life plays a key part in creating a safer community for all the citizens of Vanuatu.

As part of the Programme of Rehabilitation and Reintegration, the woodworking team and art group produce unique items for sale to the community. All profits go back into the programme to help fund tools and materials.

Other rehabilitation programmes include traditional carving, gardening, music, devotional services and bible studies, building and renovations.

ART PROGRAMME AT THE THE WOMEN'S CORRECTIONAL CENTRE IN PORT VILA

The success of the art programme at Stade Low Risk facility led to a similar programme being established at the Women's Correctional Centre in 2011.

The women do portrait painting, still life drawing and fabric dyeing.

Collaborative projects include painting cut-out fish which decorate the gate of the prison. They are also made into mobiles and many of the fish have been sold. Proceeds are channelled back into the programme to fund materials.

Community projects include a brightly coloured mural of Noah's Ark painted in the pikinini playroom at Vanuatu Centre for Disabled People, banners produced for community sports events and mobiles for church groups.

Kalabus arts vanuatu

Kalabus Arts Vanuatu is a brand developed to market calendars and greetings cards that are produced from paintings created by participants in the Art Rehabilitation Programme run at Stade, Port Vila's Men's Low Risk Correctional Facility.

The paintings are done on plywood using house paint and then varnished. Typically they are around 40 x 40 cm in size and many are framed.

Some of the paintings featured in this calendar have been sold. The art group paints every day and there is a constant supply of new works for sale. They can be viewed at the office of the Department of Correctional Services in Port Vila. All proceeds go towards funding the programme. For more information ring the Department on (00678) 23263 or visit our website: www.kalabusArts.org.vu
